My Authentic Interview Guide

You have the experience - now let's prepare to showcase it. This brief assessment will help you identify your authentic strengths and prepare to communicate your value effectively.

Quick Assessment

Take a moment to reflect:

1. What aspects of interviewing feel most challenging? (Select all that apply)
 - Talking about accomplishments
 - Answering behavioral questions
 - Asking meaningful questions
 - Managing anxiety
 - Other: _____

2. Identify your top 3 professional achievements, impact created, and skills demonstrated.

Achievements	Impact created	Skills demonstrated

3. What unique value would you bring to your target role?
 - Key strengths: _____
 - Problem-solving approach: _____
 - Growth aspirations: _____

Understanding Your Value Story

Your achievements and unique approach reveal your authentic value proposition. Focus on communicating these concrete examples in ways that feel natural to you.

Next Steps

1. Draft ONE story that demonstrates your impact.
2. Prepare TWO questions about growth opportunities.
3. Practice sharing your value with someone you trust.
